Hi Ed,

We should schedule a date for the kick-off meeting. What does your availability look like for the month of November and first 1/2 of Dec? Can you also check what's Craig Jones availability? fyi, Joe Gailani is not available the weeks of Nov 5 and Nov 12.

Who do you foresee joining us from HQI other than you and Tom G? And one last question, do you think it's worth flying Mark Dortch as well to participate in the CSM/EMBM presentation/discussion?

Enjoy your weekend,
eugenia
